#### BRIEF IN SUPPORT

There has been one previous motion for continuance of this sentencing requested and granted. As previously noted, Defendant is in custody.

Counsel for both parties met on May 13, 2016 to discuss issues relating to information Mr. Billings has provided and is continuing to provide. The government agreed that Mr. Billings has developed a lead on information which has the potential to result in criminal prosecution of other individuals. In order to maximize this information and for Mr. Billings to get full credit if the information proves worthy, a continuance of the sentencing is desired.

A continuance until the week of June 27, 2016 or later should allow adequate time for the parties to interview witness(es), evaluate the information received, and determine if Mr. Billings should receive further credit towards his sentencing.

Counsel for the government has no objections to this continuance and would join in this motion.

### CONCLUSION

Defendant moves this Court to continue the sentencing in this case from May 26, 2016 to the week of June 27, 2016 or to a later date convenient to this Court.
